ABOUT KANSAS CHILD MAGAZINE

Kansas Child magazine is intended to provide a forum for the discussion of child care and early education issues and ideas. We hope to provoke thoughtful discussions within the field and to help those outside the field gain a better understanding of priorities and concerns. The views expressed by the authors are not necessarily those of Child Care Aware® of Kansas or their sponsors.

“One of the best and most direct set of resources for parents and teachers.”
- Community Member

“I like to receive this magazine so that I can be up to date on all the latest early childhood education information and to build up more ideas to involve the children and their families!”
- Child Care Provider

“I find the magazine relevant. It helps keep me updated on what’s happening in the state and national trends.”
