## Online Training Opportunities

Child Care Aware® of Kansas Online Learning courses are designed for busy early childhood professionals. These courses meet annual KDHE training requirements for Licensure as well as training requirements for the Child Development Associate (CDA) credential. Find courses that provide information and ideas for activities with children, such as:

**Safety: Curriculum Development Tools**

Become familiar with methods for teaching children about safety topics, including play safety, food safety, and fire safety. Learn how to create safety plans and prevent accidents and injuries.

**Environmental Safety**

Learn about possible indoor and outdoor safety hazards in the child care environment and discuss how child care providers can protect children from these hazards. Participants will learn about pollutants that can affect outdoor air quality, environmental safety hazards associated with outdoor and indoor play areas, hazardous toxins that may be present in a child care facility, fire safety planning and response procedures.

June is National Safety Month and the focus is on taking steps to prevent accidents and injuries.

In each week in June is represented by a different theme:

- June 3rd to June 9th Create a home emergency plan
- June 10th to June 16th Get at least 7 hours of sleep
- June 17th to June 23rd Watch out for tripping dangers
- June 24th to June 30th Always wear a seat belt

Are you prepared? Do you know what supplies and info to have on hand? Who do you need to involve in your safety plans? How will you make sure you are ready? Check out the free resources on the [National Safety Council website!](#)
